APOLOGIES RECIEVED

T. Brinsden, M. Beynon-Evans, R. Husband, M. Sharpe, R. Williams, L & D. Drake, J. Rees, M. Beynon, P. Hayman, W. Hughes, E. Makepeace, G. John, A. Williams.

Unfortunately, the Chairman couldn't attend the meeting this evening so the members present would like to thank Malcolm Thomas for standing in at the last minute.

Malcolm apologised for being so busy that he hadn't yet had time to organise a chip run, as previously discussed.

We also welcomed new member Paul Roger (*Who was not in attendance*) to the club.

During the meeting we discussed the Carmarthenshire County Run. It has been decided by all members present this evening, that 'Goodie bags' will be used for the run to make it easier when people are checking in. The bags will hopefully contain, a route map, a bottle of water, a pen/pencil, the Monte Carlo style rally board and a set of zip ties to attach said board. It was agreed that this would make things quicker, easier and hopefully ease 'congestion' at the signing in point on the day.

Xoe has sorted for the keys to the toilets at the rugby ground, to be 'signed out' to her, the evening before the run (*we don't want to disturb them so early on a Sunday morning after a busy and possibly late Saturday nights business.*) She then must return them herself so there is only ONE person to 'chase' should there be any issues.

Malcolm is going to try and source some bottled water for the day. David already has bags to donate. Jeff will sort the printing of the route maps and Xoe will try and source pens or pencils for the run. (*All of which we are Hoping will be donated as the run is to raise funds for charity*)

We have used a very small portion (£200.00) to purchase a gas griddle. This was welcomed by members as not only will be used for the County run to cook the bacon rolls for the morning, but also for runs in where we can return to Whitland RFC and have a BBQ. Jeff has spoken to people who now run Whitland RFC, and they are only too happy for us to use their decked patio area to BBQ and will help us in any way needed. All they will need to know is any dates we are planning to this.

TREASURER REPORT
